An act to ~~add Sections 2232 and 2232.5 to~~ *amend Section 2221 of, and to add Section 2232 to*, the Business and Professions Code, relating to medicine.

LEGISLATIVE COUNSEL'S DIGEST

AB 236, as amended, Bermudez. Physicians and surgeons.

The Medical Practice Act provides for the licensing and regulation of physicians and surgeons by the Medical Board of California.

This bill would prohibit any person from being licensed under that act who is required to register with the police as a sex offender, subject to an exception. The bill would require the board to promptly revoke the license of any person who becomes subject to that registration requirement, subject to the same exception. The bill would authorize

the revoked licensee, 5 years after the revocation and 3 years after termination of parole or probation, to petition the superior court for a license reinstatement hearing. The bill would *require the petitioner to provide notice to the Attorney General and the board and would allow those parties to present argument at the hearing on the petition. The bill would* provide that if the court finds that the individual no longer poses a possible risk to patients, the court shall order the Medical Board of California to reinstate the license, and if the court denies relief, the license revocation would remain in place. The bill would authorize the board to issue a probationary license to a person whose license has been revoked pursuant to these provisions subject to specified terms and conditions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
